Registration fees are paid to license the software. No diskette, CDROM or other printed documentation is included (the help file with the software is the documentation). The shareware version of the software, available for download at [www.rickworld.com](http://www.rickworld.com), is converted to the registered version when you enter your registration code (which is sent to you when you register). If you would like a physical copy or would prefer not to download it, copies on CDROM are available for a charge of \$8 (sent by US Mail).
